## Lesson 9: Student worksheet

### My four wishes for a better carbon future ...

I am the little green genie and I am here to grant you FOUR WISHES!

However, be careful what you wish for, as I can only grant you wishes that make for a better carbon future.

Your own	Your Community	Your Country	Our Planet
What do you wish for to make <b>your own</b> carbon future better?	What do you wish for to make <b>your community's</b> carbon future better?	What do you wish for to make <b>your country's</b> carbon future better?	What do you wish for to make <b>our planet's</b> carbon future better?
My first wish is ...	My second wish is ...	My third wish is ...	My fourth wish is ...
